SPRINGFIELD MO. MAY 22, 23 & 24

By Gary Kruen.....Photos by Gary Kreun

The 2015 rodding season began with a trip to Springfield Missouri for the annual NSRA Mid America Nationals. We arrived in Springfield about 4 in the afternoon and got registered and then headed for the fairgrounds to check in with the NSRA safety team as this was the first event since being appointed Western South Dakota Safety Inspector. The Springfield meet is the West Central Divisions responsibility for event safety inspection coverage. I did a three hour shift and then off to check out cars and vendors. Dodging rain was an issue all weekend but it didn't stop the cruisin and overall atmosphere of the 1925 registered participants. Pouring rain moved all award activities indoors Sunday afternoon but everyone stayed till the last Three thousand dollar check was given away. Suddenly the fun was over and the long drive home began but plans are already being planned for the next journey

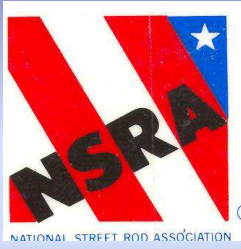

There were some unique tow trailers on hand, both for camping and hauling

The Ozark Area fairgrounds has lots of room for cruising as well as parking to, display your car

Here is a rare 1955 Pontiac Safari wagon
And this one fills the bill for a classic cruiser

El Caminos by Chevy are very popular
and this 1959 looks good

Here is a rare '65 Buick Riviera and they
make neat street machines too!

I think this is a good start for another
Gasser "41 Willys pickup

This 1955 Chevrolet Nomad wagon looks great

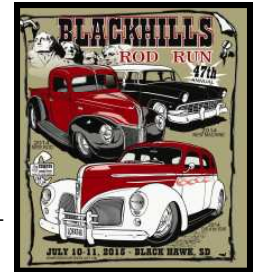

Another Willys, this one a late 40's station
wagon. Maybe the next street machine!
